MENGAPA MENGGUNAKAN HPL HOMEGA?

Ramah Lingkungan

HPL Homega merupakan produk ramah lingkungan sehingga dapat diaplikasikan di berbagai tempat dan kebutuhan.

Lentur

Produk HPL Homega memiliki tingkat kelenturan yang bisa diandalkan, tidak mudah pecah dan mudah dipasang.

Warna

Homega menjamin bahwa warna yang digunakan sangat alami dan tidak pudar untuk waktu yang cukup lama

Stok

Semua warna / motif yang terdapat di katalog merupakan barang ready stok

Custom

Selain produk yang tertera di katalog, Homega juga menyediakan produk untuk permintaan khusus sesuai dengan kebutuhan customer (produk dapat di custom)
